**§ 1.312 AMENDMENT AFTER ALLOWANCE**

Sir:

This communication is being sent pursuant to § 1.312. Upon a review of the drawings after receipt of the Notice of Allowance applicant notes two clerical errors. First, the originally submitted drawings (Page 1) show the battery labeled as "18" while the subsequent drawing

labels it as "10". Second, the originally submitted drawings (Page 1) show variable "Qsun" while the subsequent drawings show "Qrun".

Consistent with the originally filed drawings of Page 1, as well as the specification, applicant now submits a corrected replacement Page 1.

Respectfully submitted,

COOK, ALEX, McFARRON, MANZO,  
CUMMINGS & MEHLER, LTD.
